**SAGE FOR DARKENING THE
HAIR.**

There is nothing new about the idea of
using sage for restoring the color of the
hair. Our great-grandmothers kept their
locks soft, dark and glossy by using a
"sage tea." Whenever their hair fell out
or took on a dull, faded or streaked ap-
pearance, they made a brew of sage
leaves and applied it to their hair with
wonderful beneficial effect. Nowadays
we don't have to resort to the old-time,
time-consuming method of gathering the herbs
and making the brew. This is done by
skilled chemists better than we could do
it ourselves, and all we have to do is to
call for the ready-made product. Wyeth's
Sage and Sulphur, containing sage in the
proper strength, with the addition of
Sulphur, another old-time scalp remedy.
This preparation is sold by all first-class
druggists for 50c. and \$1.00 a bottle, or
is sent direct by the Wyeth Chemical
Company, 74 Cortlandt St., New York
City, upon receipt of price.

it not be a good idea to attend to
your city taxes now?

A boy in Chicago school refused to

a soldier must; "and do you consider

MEMBERSHIP

MUST BE 440

ELSE SOME STATES WILL SEND
SMALLER DELEGATIONS.

A Detailed Statement Made by
Durand on Effect Under Any
Proportion of Representation.

ON THE THIRTEENTH CENSUS.

Washington, Dec. 23.—A house
membership of 440 is the smallest
number under the census bureau
method of apportionment that will
result in not decreasing the present
number of representatives from any
state. This is announced in a de-
tailed statement submitted to the
house committee on census today by
the census bureau.

The statement is arranged to show
the exact effect under any particular
proportion of representatives to the
population under the returns of the
thirteenth census. It starts with a
minimum of 390, which is one less
than the present size of the house,
and ends with a maximum of 440,
each table showing whether, on such
calculation, the states' representation
would be diminished, increased or un-
changed.

Chairman Crumpacker, of the
committee will be able to report a
reapportionment bill at this session
of congress, it will require numerous
conferences between the members of
the board and senators as well as
from various states or groups of
states, who will be affected by what-
ever basis of apportionment is
planned.

The Democratic leaders will be
consulted, for readjustment always
bring out threats of "gerrymander-
ing" and a merry political fight is in
prospect.

If you mail a check for your city
taxes it should reach the Treasurer
two or three days before the last of
the month, so he may be able to
get it in his deposit on December 31.
Otherwise it will have to include
the penalty.

BOUNDARY LINE

**EASTERN SIDE OF NEW MEXICO
DETERMINED.**

Taft Sends Message and Urges Con-
gress to Adopt Resolution for
Retention.

Washington, Dec. 23.—Complying
with the recommendation of Presi-
dent Taft, as conveyed in a special
message, the senate today adopted a
joint resolution, nullifying the action
of the constitutional convention of
New Mexico in fixing the one hun-
dred and third meridian as the east-
ern boundary of that prospective
state and giving the president power,
in conjunction with the state of
Texas, to re-establish the lines run
by J. H. Clark in 1858 as the true
boundary between New Mexico and
Texas.

In his message the president point-
ed out that property interests had ac-
cumulated under recognition of the
Clark survey and urged that the es-
tablished order should not be dis-
turbed.

Senator Hepburn opposed the reso-
lution, contending that the Clark sur-
vey was made to place the meridian
and not to mark a division between
states. He asserted that 600,000
acres of land, worth \$20 an acre, is
involved, and declared Texas had re-
ceived liberal remuneration for the
area.

For a time he threatened a filibus-
ter against any action on the bill,
but afterward desisted, saying he
had learned to get out of the way
when he "heard the whistle of the
steam roller."

The resolution still has to be acted
upon by the house.

When does a dead ruler violate
the truth?—When he lies in state.
